

Learning for a Sustainable Future

invites Grade 7 & 8 teachers and students in the Sudbury area to participate in...

EcoLeague™

LSF's EcoLeague™ Program:

- ▶ challenges and motivates students to engage in inspiring and rewarding community and school-based sustainability action projects
- ▶ assists teachers in meeting curriculum expectations through highly engaging and sustainability-focused learning activities
- ▶ engages community partners to work with schools in implementing their action projects.

Youth Forum

Wednesday, April 25, 2012
Fraser Auditorium, Laurentian University
935 Ramsey Lake Road, Sudbury, ON

- ▶ Action Teams [one teacher; one parent/administrator/custodian; and five students from grades 7-8] from up to 25 schools in the Sudbury Area
- ▶ Students attend workshops about action projects they can undertake in their school and community
- ▶ Teachers learn how to support their students in engaging in action projects linked to the curriculum
- ▶ Refreshments and lunch will be served
- ▶ **Release Time**
Funding to cover the release time for up to 1 teacher per school on a first come, first serve basis

Action Project Funding

Following the Forum, schools can apply for up to \$750 to support their action project.
