

Learning for a Sustainable Future
Invites you to participate in:

EcoLeague!

EcoLeague:

- challenges and motivates students to engage in inspiring and rewarding community and school-based action projects that focus on environmental issues that directly affect them.
- assists teachers in meeting curriculum expectations through highly engaging and environmentally-focused learning activities.
- engages community organizations and volunteers to work with schools in understanding the issues and supporting their action projects.

Date: October 21, 2011
Time: 8:30am-3:00pm
Location: Lionel E. Lalonde Centre
239 Montee Principale,
Azilda, ON POM 1B0
Room #102

The Workshop

Who should participate:

- Grade 9 Family Studies
- Grade 9 Geography
- Grade 9 Science
- Grade 10 Civics
- Grade 10 Science (climate change)
- Grade 11 Environmental Science
- Green Club teachers who are interested in sustainability education.

Why?

To help facilitate a successful action project with your students:

- Explore tools, techniques and curriculum resources that support the development and implementation of action projects
- Find out how to support Rainbow's Go Green Year for Water
- Share opportunities and challenges in implementing action projects
- Learn how to communicate your message to the public using media techniques

Funding Opportunity:

Funding to cover the release time for up to 3 teachers per school on a first come, first serve basis

The Action Project

Who should participate:

Students, teachers, caretakers, administration, parents, and community volunteers.

Why?

Empower students to become environmental stewards.

When?

Any time following the teacher workshop depending on the Action Project selected.

Where?

In the school or community.

Funding Opportunity:

Each school Action Team is eligible to receive project funding for up to \$1,000 to support a local and sustainability focused action project.
